Before:30/04/26

***Full day with a chance to attend some sessions at the IUBS-GA
Accommodation available for outstation participants only
Registration for IUBS-GA is waived***

The National Centre for Biological Sciences (NCBS), through its Science Education Outreach Office, in collaboration with the IUBS General Assembly, is hosting a three-day Teacher Training Workshop from June 10–12 at the Indian Institute of Science, Bangalore.

This workshop is open to:

- High school teachers
- Undergraduate and postgraduate educators
- Teachers in training

Participants will explore:

- Digital pedagogy, including how to integrate climate education and urban sustainability into existing curricula
- Hands-on use of frugal science tools
- Innovative approaches to science communication

In addition to the workshop, participants will have the opportunity to:

- Interact with leading scientists
- Attend talks and lectures during the IUBS General Assembly

What's included?

- The workshop is completely free
- Accommodation provided for outstation participants
- IUBS General Assembly registration fee is fully waived

Last date to apply: April 30, 2026
